

It is a question  
of a **GIFT.**

***Life !***

The corporeal journey is of great value in the acquisition of plenitude and self-fulfilment, which is converted into inner peace and a feeling of happiness. Bless your present existence with its lessons of love, by living it each day, happy and grateful.

It is a question  
of **LOYALTY.**

***Life !***

When simplicity is adopted, words become kinder and edifying, because they are not charged to hurt or denigrate others through serious damage caused by slander and calumny. Do not interfere by giving unrequested opinions, keep yourself calm and fraternal.
